ASTTBC Sponsors APEGBC AGM-Community Rep Henry Murphy Reports

For two years running ASTTBC has been a sponsor of the APEGBC Annual General Meeting, hosting the fun night.

Community Representative Henry Murphy, AScT, attended the event and reported to ASTTBC's Executive Director, John Leech, *"I really enjoyed myself at the APEGBC Annual Conference and AGM. I took in a couple of the seminars, as much as time would allow, and lunches."* Henry went on to talk about the event hosted by ASTTBC, *"I attended the Hawaiian Luau on Thursday night that was sponsored by ASTTBC. Jeff Holm PEng, President, recognized ASTTBC at that event. Also, Matt Cameron, PEng and Jim Smith, PEng, joined me to extend thanks for all that ASTTBC was doing and wanted me to pass on a big hello from them to you."*

Henry is a Lab Technician in the Civil Technology program at Okanagan College.
