## **ASTTBC Council for 2012 - 2013**

The next ASTTBC Council was introduced at AGM 2012. "I look forward to working with the Council for 2012 - 2013", said Council Chair and ASTTBC President, Bill MacPherson. "There was no change in the members this year with the exception of the two new Public Representatives. They are grounded and work well as a team."
