ASTTBC CEO John Leech has met several times in the past year with LandlordBC CEO David Hutniak and continues to build and develop the relationship between the two Associations. LandlordBC is a newly minted alliance to better serve owners and managers of rental housing. LandlordBC serves and represents over 3,300 members who manage more than 130,000 residential rental units in 6,000+ buildings throughout BC.

“It has been a great learning experience for me as I come to better know LandlordBC,” said John. “David and I see great potential for solid business connections between ASTTBC and LandlordBC, something we will likely formalize in the next couple of months.” David has expressed interest in linking ASTTBC certification programs with LandlordBC members, notably fire protection and house and property inspection registration.
