## **Tina Bos, AScT Featured on CHEK TV**

Tina Bos, AScT and ASTTBC volunteers from Victoria recently attended the ASTTBC Booth at the 2014 Camosun College Trades and Technology Career Fair. Joining Tina for the day was: Michelle Mah, AScT, Jeff Schouwstra, AScT and David Sparanese, AScT, CPWI 3. The Event was especially meaningful for the four as they are all Camosun Alumni.

While there, CHEK-TV was on hand to videotape interviews for a News segment dealing with the Skills Shortage. One of the participants interviewed was Tina.

Thanks to Tina and all our volunteers who “man” the front lines on behalf of ASTTBC!
