

**Grant Lachmuth, AScT, RTMgr Appointed
to National Accreditation Body**

ASTTBC is pleased to announce the appointment of [Grant Lachmuth](#) to the Board of Technology Accreditation Canada (TAC), a national body responsible for the accreditation of technologist and technician programs in Canada. Grant was a member of the Board during the start-up phase and will now serve when the TAC is officially launched in January 2015.

For information on TAC visit TechnologyAccreditation.ca

Grant is currently Director of GeoStablization International (GSI), Canada Division, where he is responsible for business development and client relations within the Canadian marketplace and beyond. GSI is the leading geohazard mitigation firm operating throughout USA and Canada. Prior to GSI Grant was senior government advisor with Urban Systems and spent 36 years as a senior manager with the BC Ministry of Transportation and Infrastructure.
