

## **ASTTBC Past President Elected Chair of North Salt Spring Water District**

Marshall Heinekey, DTM, MBA, AScT was elected Chair of the North Salt Spring Water District (NSSWD) after the 2014 AGM on April 15th. Marsh has served on the board for five years. NSSWD is the largest of 11 water districts on the island. Their major undertaking at this time is an \$11 million new replacement treatment plant on St Mary Lake, to be completed in the spring of 2016.

Marsh served as President of ASTTBC from 1979 - 1981 and has maintained an active connection with the Association, volunteering on Council and various Boards and Committees. “I wish Marsh all the best in the work ahead,” commented ASTTBC CEO John Leech “I’ve known Marsh a long time and recognize the know-how and commitment he brings to the table.”
