Barbette Ishii, CEO for the BCEA and ASTTBC CEO John Leech signed a Memorandum of Agreement (MoA) at the BCEA AGM to signal interests on the part of the two associations to collaborate in areas of common interest.

A sustainable skilled work force and promoting technology education and careers looms high on the list of areas for cooperation between BCEA and ASTTBC. "I look forward to working with Barbette as we fulfill the potential of the MoA," said ASTTBC CEO John Leech. "I am confident the two organizations will accumulate many achievements in the years ahead."
