

## LNG–Buy BC Business Kit Now Available

ASTTBC is supporting Government initiatives to engage and support small and medium size enterprises (SME). Many ASTTBC members work for, or own and operate a SME.

ASTTBC is also supporting initiatives tied to LNG opportunities. The LNG-Buy BC Business Kit is now available for download at the LNG-Buy BC [WEBSITE](#)

Designed to help BC companies, large and small, prepare for LNG opportunities in the province, the LNG-Buy BC Business Kit can help businesses be first in line for the opportunities and connect local suppliers with industry.
