

MLA Mike Morris Appointed Minister of Public Safety and Solicitor General

MLA for Prince George-Mackenzie, [Mike Morris](#), was sworn into Cabinet last week. Mike has been leading initiatives of interest to ASTTBC including a review of the Government's Professional Reliance initiative.

ASTTBC has been actively involved with the proposal since it was launched several years ago. The BC Government, with this initiative, is working to have 'Qualified Persons / Professionals' assume responsibility within their competency and as allowed for in law.
