

## Premier Christy Clark Congratulates Award Recipients and ASTTBC

The ASTTBC Technology Awards and Recognition Celebration (TARC) provides the opportunity for ASTTBC to recognize many members and employers for their contribution to the growth and development of BC. Speaking to the audience of 275 through a personal video, Premier Clark said about the province, *“We are a leader in developing and growing BC technology companies. We are a destination for technology investment from around the world.”* The Premier, who has kindly provided a video for each of our recent TARC events, expressed appreciation for ASTTBC’s work, *“The ASTTBC plays a key role in helping keep that momentum going.”*

The Premier took time during her video message to congratulate the award recipients and to extend thanks to the members of ASTTBC and others joining ASTTBC at TARC, *“Thanks to everyone in the room tonight for everything that you do to make sure BC is a province that is always building for the future.”*
