

**Technologist Extraordinaire Brad Walton & ASTTBC CEO**  
**Meet at CFT Engineering**

ASTTBC CEO, John Leech (R) presents Brad Walton with an ASTTBC Clock

A Principal in CFT Engineering, Brad Walton, AScT, RFPT has been a long time member of ASTTBC and leader in the field of fire protection. He recently invited ASTTBC CEO John Leech to visit the CFT Engineering Inc. office to talk about future directions for professional credentialing in fire protection.

Brad has represented ASTTBC on various boards and committees over the years. Mindful of how sensitive we all are to time management; John presented Brad with a highly valued ASTTBC clock.
