

BCEA Annual Awards Luncheon

Jason Jung, AScT, Manager Professional Practice & Development, ASTTBC & Barbette Ishii, CAE,
President & CEO, Electrical Association of BC

ASTTBC recently sponsored and attended the BC Electrical Association (BCEA) Annual Awards & Holiday Luncheon held at the Delta Burnaby Hotel & Conference Centre.

It was a great opportunity to network with industry colleagues as well as recognize the BCEA's award winners and alumni inductees. To support charity, the BCEA donated proceeds from the luncheon to the BC Easter Seals to support its summer camps.

ASTTBC congratulates the BCEA Board and its President & CEO Barbette Ishii on their successful event!
