

October, 2010

## **New Crown Assets Distribution (CAD) Warehouse Opened**

CAD is pleased to announce that its operation in the Pacific Region opened its own warehouse on April 1, 2010.

Co-located with the British Columbia Government Asset Investment Recovery organization, in Surrey, CAD will now list all surplus federal goods on [www.GCSurplus.ca](http://www.GCSurplus.ca) ó CAD's online auction web site. No longer will surplus federal assets be listed on [BCAuction.ca](http://BCAuction.ca). These assets include anything from seized jewellery and other seized items from CBSA, to vehicles, office furniture, electronic equipment, boats and larger vessels. In other words, any item surplus to federal government requirements!

The warehouse in Surrey will serve all clients in the Pacific Region, including Yukon and Vancouver Island. Ron Hunt, CAD's Regional Manager, and his team have been receiving surplus goods since April 1, 2010.

Anyone interested in viewing and perhaps purchasing any of the items are invited to visit [www.GCSurplus.ca](http://www.GCSurplus.ca)

For more information, please call CAD reception at: (604) 502-5828.

We look forward to your visit to this site!
