ASTTBC-BCWiT Celebrates International Women's Day

In celebration of International Women's Day, ASTTBC / BCWiT sponsored a special International Women's Day Breakfast hosted by MLA Stephanie Cadieux. This year's theme, *Make it Happen*, represented an opportunity to celebrate the achievements of women as well as highlight the work still to do in pursuit of equality.

ASTTBC members, staff, and students from KPU and BCIT, enjoyed inspirational stories by local women who really *Make It Happen*, and money was raised to support Servants Anonymous Society of Surrey.
