ASTTBC Supports Nanaimo Science - *Nanaimo Daily News* Reports!

ASTTBC recently donated \$2,000 to the Nanaimo Science Sustainability Society (NS3) in support of science camps and other efforts to excite young minds about science and technology. An additional \$400 was added as a result of funds raised through the ASTTBC inaugural Nanaimo golf tournament. "NS3 is a grass-roots organization working hard to enhance awareness of science and technology. This initiative ties closely with ASTTBC's goal to enhance awareness of technology education and careers," said ASTTBC Executive Director, John Leech.
