

## ASTTBC Sponsors ACEC-BC Transportation Conference – January 28, 2016

ASTTBC is a sponsor for the *2016 ACEC-BC Transportation Conference, Moving with Technology*. The ACEC-BC conference, scheduled for **January 28, 2016** at the Vancouver Sheraton Wall Centre, represents a great opportunity for ASTTBC members to learn more about transportation infrastructure and to network with industry professionals.

“ASTTBC and ACEC-BC signed a Memorandum of Understanding this year to help frame our working relationship,” said ASTTBC CEO John Leech. “ASTTBC’s sponsorship of the Transportation Conference is one way for ASTTBC to engage with the 90 firms that comprise the ACEC-BC membership.”

Details of the preliminary program are listed on the ACEC-BC 2015 Transportation Conference [WEBPAGE](#)

Consulting engineering companies provide engineering and other technology-based intellectual services to the public and private sectors. ACEC-BC firms employ 9,900 people in BC comprised of engineers, geoscientists, technicians, technologists and other support staff. The consulting engineering business contributes \$3.6 billion in annual revenue to the BC economy.
