Richard Nygren, AScT Contributions earn ASTTBC Award

(This report was adapted from an item in the Okanagan College INSIDE e-Newsletter)

Richard Nygren, AScT (right in photo) was presented with a Certificate of Appreciation by the Applied Science Technologists and Technicians of British Columbia for his leadership and dedication to promoting the advancement of Technology Careers. The presentation was done by Bruce Stevens, AScT, Regional Manager, ASTTBC at the recent Civil Engineering Technology PAC meeting Nov. 24. Richard has always spoken very highly of the Association and helped advance its membership with students of Okanagan College.

Richard has returned to work from retirement until Okanagan College can fill a vacancy in the Civil Engineering Technology Lab.
