The Thompson-Okanagan girls' soccer team played their way to gold this past month at the 2014 BC Summer Games held in Nanaimo.

The Summer Games challenged teams from across the province to compete against one another in the weekend long tournament. The Thompson-Okanagan soccer team, coached by ASTTBC Member Dave Notte, ASCT, was able to come away victorious over a tough Vancouver-Squamish team with a 2-0 victory.

Lindsay Notte, daughter of Dave Notte, played an essential role for the team, and was one of only two players to score in the final. After the game Dave had nothing but admiration for the team, saying that, "They came together a month and a half ago from all across the region, and all of them have just gone above and beyond. I have been so impressed with the passion, commitment, enthusiasm, and mainly the support for each other that they have showed since the very beginning. I had confidence coming into this that we could do really well and after I saw how well the girls played in their first game, I knew we had a chance to get the gold." ASTTBC congratulates Dave and his team.

Well-done ladies!
