Surrey Leader (Black Press) – ASTTBC Media Coverage on the Tech ED Strategy Report

On January 29 ASTTBC released A Strategic Direction for Technology Education and Skills in BC <http://www.asttbc.org/docs/2013launch.pdf> defining actions needed to ensure a sustainable supply of engineering and applied science technologists, technicians and technical specialists well into the future.

It starts with Science, Technology, Engineering and Math (STEM) in K-12 and rolls into a strategic plan for technology education with program and funding decisions tied to labour market requirements.
