ASTTBC Tops \$25k for Big Little Science Centre

The Kamloops-based Big Little Science Centre was the recipient of \$2k from ASTTBC, bringing the total donated over 4 years to \$25,000. *"This was our target and now the promise has been met"*, said ASTTBC's Executive Director, John Leech. *"We are a HUGE fan of Big Little and appreciate all they are doing to promote science and technology in the community... in particular youth."* Over 100,000 visitors have been to Big Little in its first 10 years of operation.

ASTTBC gives BIG cheque to Big Little Science Centre bringing the association's total to \$25,000 over the past four years. Big Little folk - L to R: Dave McKinnon (Chair), Susan Hammond (Assistant Operator), John Leech (Executive Director, ASTTBC), Gordon Gore (founder of Big Little and Honorary Member of ASTTBC), and Annette Glover (Inaugural Chair & member of the Board and member of School District #73 Board).
