## **ASTTBC Executive Director Addresses Registered RBD & CRD**

I know that SOME of you are tracking the goings-on at AIBC regarding efforts to offer 'Associate Member' status and a title for building designers. This sorry state of affairs continues with even new/different titles now being introduced by AIBC after the failure of the BD title.

AIBC's approach failed to get support from members. There are quite a number of 'voices' within AIBC speaking out against the whole idea of including building designers within AIBC. ONE VERY VOCAL OPPONENT is Ian Bazley, an Architect out of Kelowna. Ian produces and sends out fairly regularly an e-newsletter called 'eBlab!' A copy of the recent edition may be viewed by clicking here: [http://campaign.r20.constantcontact.com/render?llr=5uft8oeab&v=001dDyPakhduqiOh0h9OomWE2wSY2XP0SivPynOIWLCX0JgOX2z3BfOffHgploIwCSuBUjFmk5cFtq6jQZZiRDzg\\_E5yOILS4vQc-mVpC2JLHnBnF0gOYn6Q%3D%3D](http://campaign.r20.constantcontact.com/render?llr=5uft8oeab&v=001dDyPakhduqiOh0h9OomWE2wSY2XP0SivPynOIWLCX0JgOX2z3BfOffHgploIwCSuBUjFmk5cFtq6jQZZiRDzg_E5yOILS4vQc-mVpC2JLHnBnF0gOYn6Q%3D%3D)

You may wish to request to receive this newsletter in order to hear what SOME of the Architects are saying about this issue.

ASTTBC continues to pursue the fullest possible recognition and rights to practice for ASTTBC-registered residential and building designers. FOR EXAMPLE, have a look at initial comments regarding the BC Governments two white papers - one on the Building Regulatory System and the second on Licensing Building Officials: <http://www.asttbc.org/docs/BOABCwhitepapers.pdf>

Stay tuned to ASTT e.NEWS for updates and watch for special broadcast emails on this and related topics.

I will leave it there for now and promise to keep you posted on key developments.
