ASTTBC Supports Northern Resource Forum

Advertisement Features ASTTBC President and GREEN

ASTTBC was once again a sponsor at the *Northern Resource Forum and Technology Awards* held in early 2011. Hosted by Minister Pat Bell - MLA for Prince George - Mackenzie <http://www.leg.bc.ca/mla/39thParl/bellP.htm> (then Minister of Forests and now Minister of Jobs, Tourism and Innovation), the event is hosted in Prince George and attracts a couple of hundred or more delegates each year. "This is a great event and one that helps ASTTBC bring attention to the 10,000 technology professionals registered with our association," said Executive Director, John Leech. ASTTBC is also sponsor of the *Technology Leadership Award*.

ASTTBC profiled ASTTBC President Doug Carter, CTech in a one page advertisement in the program:
