

HPO's Building Excellence Research & Education Grants Program

The ***Building Excellence Research & Education Grants Program*** is currently being offered by the Homeowner Protection Office (HPO) and is available to ASTTBC Members who qualify.

This grant program provides a streamlined approach and enhanced framework to support and encourage externally generated research and education projects that align with our HPO mandate.

It's an opportunity for industry and consumer organizations, education providers and independent researchers to apply for funding for projects that improve the quality of residential construction and enhance consumer protection for buyers of new homes in British Columbia. Eligible projects may receive up to a maximum of \$40,000 annually.
