Front row (l-r): John Leech, ASCT CAE, Lana Levitskaia, ASCT(P), Edzel Escala, ASCT; missing: Suvarna Patil, ASCT(P)*

ASTTBC launched the International Trained Professional Leadership Forum (ITPLF) on September 25th, 2012 by holding their inaugural meeting. The ITPLF was formed as an advisory group to ASTTBC on the interests and needs of ITPs as well as provide support with ITP programs, events and activities. The meeting was a huge success as the groundwork was laid towards assisting ITPs in applied science and engineering technology settle into the BC community.

For more information on the ITP Program, please visit <http://www.itpbc.com/>.
