

ASTTBC Hole Sponsor for APEGBC Okanagan Branch Golf Tourney

ASTTBC was proudly represented at the 8th Annual APEGBC Okanagan Branch Golf Tournament

Despite smoky skies from the surrounding forest fires, the Okanagan Branch of APEGBC successfully pulled off their 8th Annual Golf Tournament. Forty-four members from both APEGBC and ASTTBC enjoyed the afternoon of golf that ended with dinner and prizes! ASTTBC was pleased to contribute regalia for the prize table and our hole sponsorship helped to support the Branch's UBCO Engineering and GeoScience Scholarship Program.

“On behalf of the APEGBC Okanagan Branch executive, our membership, and the future recipients of this scholarship, I sincerely thank ASTTBC for supporting this event,” stated Garrett Hamilton-Smith, PEng, Okanagan Branch Chair. “I have to say, the ASTTBC swag was some of the first to get picked off the door-prize table... especially the Technology Sizzles BBQ aprons! Thanks again!”
