ASTTBC Meets Members in Penticton

Executive Director, John Leech, ASCT, CAE and Regional Manager, Okanagan, Bruce Stevens, ASCT attended and spoke with ASTTBC members in Penticton. Bruce talked about his work in the region to enhance awareness of ASTTBC, the technology professionals registered with ASTTBC and technology education and careers. John briefed members about new initiatives such as the joint Task Forces with APEGBC regarding the Limited License and Professional Technologist.

Victor Lipp, ASCT, retired from a long and rewarding career at TELUS, attended the ASTTBC member meeting in Penticton and took a number of photos. Vic said, "Here are the pictures from your meeting in Penticton. Sorry, some are not so great, in spite of what the subject line says, new camera and for some unknown reason, unknown to me, some came out in 'motion picture' mode, I'll fix this before our next meeting! Thanks for being here in Penticton. Ciao, Vicö

Thanks Vic for the shots!
