ASTTBC's John Leech on Kamloops Radio NL

Executive Director John Leech was a guest on the July 5th Jim Harrison show on Radio NL Kamloops. The interview preceded John's visit to the Kamloops area on July 9th, where he took part in various discussions, as well as a cheque presentation to the [Big Little Science Centre](#).

John's radio interview focused on the Science & Technology culture within the province as well as future trends. To listen to the interview click here: <http://www.asttbc.org/docs/jimharrisonshow.mp3>
