Ken Christian, ASCT Runs for City Council/18 Years on School Board

KEN CHRISTIAN, ASCT is running for a seat on Kamloops City Council. After 18 years on the Kamloops/Thompson School Board and 8 of those as Chairman, Christian is attempting the switch.

“ I have worked hard to see better educational opportunities for high school students in the trades and technology area and now I would like to work on Council to ensure a strong local economy will provide jobs for these skilled members of our workforce”

Christian has been active in ASTTBC affairs for 30 years and last year received **ASTTBC's Top in Technology Award**. ASTTBC Executive Director, John Leech said on learning of Ken's decision, *“While ASTTBC does not lend formal support for candidates to public office, I will say that Ken has supported a high level of secondary education and has been a strong supporter of technology education and careers. He is a great role model for our profession. I wish him well in his bid for s seat on Kamloops City Council.”*
