ASTTBC Members Gather in Surrey-First Time in Metro Area

A marvelous group photo with all members in ASTTBC caps captured the moment

ASTTBC regularly hosts Member Meetings across the province, with Executive Director John Leech providing an update on new developments in the Association.

For the first time other than the AGM, ASTTBC hosted a Member update meeting in Metro Vancouver. 100 Members gathered and, based on feedback, enjoyed networking, a grand breakfast and spent time learning of recent developments with the world of ASTTBC.
