

ASTTBC Technology Professionals Included in LNG Labour Planning Initiative!

Pictured here are (1 to r): ASTTBC Manager, Executive Initiatives, Jacqueline de Raadt, BA; Peter Dyball, Director of Pit Crew and ASTTBC Manager, Professional Practice & Development, Jason Jung, ASCT.

Jason Jung and Jacqueline de Raadt of ASTTBC met with Peter Dyball, Director of *Pit Crew*. Pit Crew was awarded 2 contracts with the BC Provincial Government to assist the Labour Market Information Office prepare occupational profiles for the LNG Working Group Data Subcommittee.

ASTTBC is supporting the BC Government and Pit Crew with providing detailed Labour Market Information about specific BC educational institutions. ASTTBC supplied projected graduation numbers from five educational institutions delivering recognized technologists and technicians programs in BC.

"ASTTBC members in virtually every discipline will have a role to play in all aspects of the development and delivery of LNG in the province. We are excited to assist and help in identifying occupations where technology professionals will be involved." says Jason Jung, ASCT, Manager, Professional Practice.

In the photo above Peter is sporting a stylish and "in hot demand" ASTTBC signature *Technology SIZZLES* BBQ apron and a sharp ASTTBC baseball cap. Go Peter!
