ASTTBC Member John Murnane, AScT Makes Career Move

For the past 10 years, John Murnane, AScT has been working for the Vancouver School Board as the Manager of Facilities overseeing Seismic upgrades. Early in 2012 he felt he needed to shake up his career! After exploring the opportunities that were available John moved into the position of Director Project Services at BCIT. John is enjoying the challenges this position presents and continues to familiarize himself with the job. We wish him the best of luck in his new role.
