APEGBC ELECTS NEW COUNCIL

The Association of Professional Engineers and Geoscientists of BC has a new President and Council responsible for governing APEGBC.

"I have a great working relationship with Jeff Holm, PEng, FEC, the new APEGBC President," said ASTTBC's President, Bill MacPherson, AScT. "Jeff and I are co-chairing the ASTTBC-APEGBC PTech Framework Development Group. I look forward to working with Jeff on this and other matters as we strive to bring the two associations into closer alignment on a number of fronts."
