TELUS Chair & ASTTBC Honourary Member, Brian Canfield
Speaks Nov 13

ASTTBC is sponsoring Brian Canfield, Chair of TELUS, at the **November 13 Sam Sullivan Salon** in Vancouver. Brian is a Honourary Member of ASTTBC.

Brian and TELUS... and ASTTBC... go a loooooong way back. Brian, as you likely know, has made a significant contribution to the growth and development of BC Telephone (now TELUS) over a span of 50+ years. Today some 400 ASTTBC members are employees at TELUS.

I encourage ASTTBC members to register and take in this evening. Very reasonable at \$20 in advance or \$25 cash at the door. I have found the pre-event dinner at \$120 (pre-register only) a great way to help support this initiative.

See the [WEB SITE](#) for information and to register.
