## **Okanagan College Writes about Tech Careers-References ASTTBC**

Okanagan College Registrar, Jane Muskens, wrote in the Capital News, Kelowna, about technology careers. Jane references ASTTBC in her article, noting ASTTBC's concerns about the need for more technology professionals in the near term to address looming retirements. ASTTBC Executive Director said, "ASTTBC has an excellent working relationship with Okanagan College. They do a great job of educating technologists in programs which are all recognized by ASTTBC. And ASTTBC is a supporter of several OC careers promotional initiatives such as Spaghetti Bridge and RoboCup."
