ASTTBC Seeks Public Representative for Governing Council

ASTTBC is currently accepting expressions of interest from non-members who are interested in actively engaging in the important supporting role of a Public Representative position on its governing Council. This is an excellent opportunity to make a positive contribution and influence how ASTTBC considers the impact it has on the public as it regulates technology professionals and advances technology careers.

The ASTTBC Council appointed two Public Representatives for the first time in 2006 and has now changed the *ASTT Regulations* to add a third Public Representative to augment and broaden the perspective of the Public Representatives' role in supporting Council on matters relating to the public interest.

Public Representatives are appointed by the ASTTBC Council on a recommendation from the ASTTBC Nominating Committee. Information on ASTTBC and the role of the Council and Public Representative can be found at: <http://www.asttbc.org/docs/publicrep2.pdf>

For a copy of the reports of the Public Representatives please visit <http://www.asttbc.org/about/corporate/agmminutes.php>.

If this is of interest we ask that you send to ASTTBC a statement as to your reason for making application to serve as a Public Representative and provide background information on your education, career and community interests and involvement. Expressions of interest should be sent in confidence to techinfo@asttbc.org to the attention of the Executive Director by the end of business day **January 31, 2011**.
