

November, 2011

Public Works Association of BC is Led by ASTTBC Registrant Murray Steer, CPWI 1

ASTTBC members provide leadership and volunteer service with many technical organizations, including the Public Works Association of BC:

Murray Steer, CPWI 1, President
Manager, Sewer Operations, City of Vancouver

David Sparanese, ASCT, CPWI 3, Vice President
Manager, Roads & Electrical Sections, District of Saanich

Shawn Boven, ASCT, Executive Secretary
Public Works Manager, Approving Officer, City of Merritt
Shawn also serves as ASTTBC Community Representative for Merritt

ASTTBC President, Bill MacPherson, ASCT extended his appreciation for ASTTBC members who volunteer their time to enhance technical and professional standards. *“Volunteering with PWABC or other organizations is a great way to put something back and to enhance one’s career and professional development”.*

ASTTBC members who volunteer are encouraged to record this service in the professional development website <http://www.asttbc.org/practice/cpd/>

For more information on PWABC please visit <http://pwabc.cpwa.net/Index.html>
