ASTTBC's John Leech on KAMLOOPS Radio NL July 5 at 9 am

Executive Director John Leech will be in Kamloops July 9th to help draw attention to technology education and careers and talk about the various elements needed to ensure a sustainable supply of technology professionals in applied science and engineering technology.

Jim Harrison of Radio NL will interview John at 9:35 am on Thursday July 5 in advance of the trip.

We encourage you to TUNE IN to Radio NL tomorrow.
