Grant Lachmuth, AScT, RTMgr Appointed to Technology Accreditation Canada Interim Board

ASTTBC is pleased to advise that Grant Lachmuth has been appointed by the Technology Professionals Canada (TPC) Leadership Council to serve on the Interim Board of Technology Accreditations Canada (TAC).

TAC is a new enterprise whose purpose is to launch a model accreditation program for technology education in Canada. The TPC is moving ahead based on a report prepared by the Canadian Standards Association. CSA looked at the current accreditation system and reviewed accreditation programs in other countries and fields. The TAC will be up and running in 18 months.
