## **Executive Director Asks a Favour: Technology Video**

I ask that you take a few minutes and view the 'Technology' music video created by THE KERPLUNKS and funded by ASTTBC.

[http://www.youtube.com/watch?v=9L01waxBs5c&feature=channel\\_video\\_title](http://www.youtube.com/watch?v=9L01waxBs5c&feature=channel_video_title)

Developed for younger members of our community, it is designed to heighten awareness of careers in technology. And once you have viewed it please send it along to your children's schools, your family and friends and encourage them to view and also to send along to their families and friends. And stay tuned as we are considering another music video in 2012.

Best wishes for a great year in 2012.

Executive Director, ASTTBC
