## **TechGREEN Banner Helps Showcase ASTTBC Program**

ASTTBC created a new roll-up banner to help promote TechGREEN <http://www.techgreen.ca/>. The banner will help us present ASTTBC and our messaging about sustainability, said ASTTBC's TechGREEN Chair, Kerri Trace, AScT. It will be used at career and trade shows, ASTTBC AGM and similar events.

ASTTBC launched the TechGREEN program at the 2010 Technology Awards & Recognition Celebration (TARC). Kerri Trace, AScT, attending Dalhousie U, travelled out to BC for the launch. The inaugural TechGREEN Awards were handed out at the TARC.
