ASTTBC Vancouver Sun Ad March 9 – National Engineering & GeoScience Month

ASTTBC joined with the Association of Professional Engineers & Geoscientists of BC (APEGBC) during March to celebrate, and elevate general awareness of, careers in engineering and geoscience. APEGBC initiated a special full page spread in the March 1, 2011 edition of Vancouver SUN with ASTTBC contributing to the effort.

The full page feature highlighting ASTTBC President Doug Carter, CTech and his Green initiatives was placed again on March 9.
