

ENGINEERING TECHNOLOGIST II (Roads & Drainage)

- *Do you have excellent analytical and problem solving skills?*
- *Do you want to work and live in a beautiful coastal environment?*
- *Don't miss this exciting opportunity!*

Vancouver Island is one of Canada's most enviable locations and Campbell River is ideally situated to take advantage of the best the island has to offer. With a moderate climate, spectacular scenery and year-round recreational offerings at its doorstep, Campbell River is a community that will continue to attract people from all locations.

The City of Campbell River is looking for a skilled and motivated individual to work within its Roads & Drainage Department. Reporting to the Roads & Drainage Supervisor, the Engineering Technologist II provides technical support and assistance in all aspects of municipal operations systems through the performance of a wide variety of field and office technical tasks.

Success in this role requires:

- two (2) year diploma in an engineering related field or environmental sciences from a recognized post-secondary institute;
- minimum three (3) years recent experience in surveying, basic design, layout, construction and as-built recording of civil municipal projects within the past ten (10) years.
- eligibility for registration as a C.Tech or ASCT with the Applied Science and Technologist Association of BC;
- training in Autocad and GIS applications;

The current hourly rate of pay for this CUPE bargaining unit position is \$32.00, working a 40-hour work week.

For a detailed job description please visit the "[Employment Opportunities](http://www.campbellriver.ca)" section of our website at www.campbellriver.ca.

If you have the skills we are looking for, you wish to work in a friendly, goal oriented department, and you want to live, work and play in a great community, apply now!

Please send your resume AND covering letter, quoting **EXT-15-60** to:

Human Resources Department
City of Campbell River
301 St. Ann's Road
Campbell River BC V9W 4C7
Fax: (250) 286-5760
Email: careers@campbellriver.ca

This posting closes at 4:30 pm on Wednesday, June 1, 2016.

We thank all applicants for their interest; however, only those short listed for interviews will be contacted.
