

ASTTBC – Recognized Programs

TECHNOLOGIST LEVEL

BCIT

Program Name	Discipline
Biomedical Engineering Technology	BioMedical
Chemical and Environmental Technology - Analytical Science	Chemical
Chemical and Environmental Technology - Process Engineering	Chemical
Chemical Sciences Technology - Pulp and Paper	Chemical
Civil Engineering Technology	Civil
Electrical and Computer Engineering Technology - Automation and Instrumentation	Instrumentation/ Electrical/Electronics
Electrical and Computer Engineering Technology - Computer Control Option	Electronics
Electrical and Computer Engineering Technology - Electrical Power and Industrial Control Option	Electrical
Electrical and Computer Engineering Technology - Telecommunications and Networks Option	Information Technology
Geomatics Engineering Technology - Digital Mapping	Geomatics
Geomatics Engineering Technology - Field Survey	Geomatics
Mechanical Engineering Technology - Mechanical Systems	Mechanical
Mechanical Engineering Technology - Manufacturing	Mechanical
Mechanical Engineering Technology - Mechanical/Design	Mechanical
Mining and Mineral Exploration Technology	Mineral
Mechatronics and Robotics Technology	Electronics

Camosun College

Program Name	Discipline
Civil Engineering Technology	Civil
Computer Engineering Technology	Information Technology
Electronics and Computer Engineering Technology	Electronics
Environmental Technology	BioSciences
Mechanical Engineering Technology	Mechanical

College of New Caledonia

Program Name	Discipline
Engineering Design Technology	Building

Kwantlen Polytechnic University

Program Name	Discipline
Environmental Protection Technology	BioSciences

Okanagan College

Program Name	Discipline
Civil Engineering Technology	Civil
Electronic Engineering Technology	Electronics
Mechanical Engineering Technology	Mechanical
Network and Telecommunications Engineering Technology	Information Technology
Water Quality and Environmental Engineering Technology	Civil

Thompson Rivers University

Program Name	Discipline
Architectural and Engineering Technology	Building

TECHNICIAN LEVEL

Brighton College

Program Name	Discipline
Civil Infrastructure Design Technology	Civil

North Island College

Program Name	Discipline
Industrial Automation Technician	Electronics
