

Jr. to Intermediate Civil Engineering Technologist/Technician – Nanaimo, BC

Our Company:

Herold Engineering Limited is a Vancouver Island based **Employee Owned** consulting firm with offices in Nanaimo, and Victoria, BC. Our dynamic and diverse company has over 65 employees involved in a wide variety of public and private sector civil/municipal infrastructure, building, transportation, and marine projects in British Columbia. We are a community-oriented company which strongly supports local businesses, charities and community organizations.

Herold Engineering is a well-respected consulting company with an impressive list of repeat government, public, and private clients. We are always seeking new initiatives in the consulting engineering industry to further diversify our services.

Employment Opportunity:

Herold Engineering Limited has an immediate opening for a junior to an intermediate civil engineering technologist/technician. We are looking for an enthusiastic and experienced individual with experience in design, drafting and construction administration of roads, water distribution systems, sewage collection systems, stormwater management, and land development projects. An excellent work environment with advancement opportunity, competitive salary with benefits, and participation in a respected, well-established consulting firm await the successful candidate.

Requirements:

Drafting and design experience with AutoCAD Civil 3D, and MS Office applications is required, and proficiency with and topographic survey using total stations is preferred. The candidate should have a minimum of two years' experience, and be a Certified Technologist/Technician or have the ability to register as such with ASTTBC within one year. Excellent oral and written communication skills are necessary, as is familiarity with the needs of municipal clients and the requirements of regulatory agencies. Projects will vary significantly in size, complexity, and diversity; and as such, flexibility, a broad range of project experience, and the ability to work well with others is a benefit.

Quality of Life:

An added benefit to this opportunity is living and working in Nanaimo which is located on the east coast of Vancouver Island, 113 km north of Victoria, and 55 km across the Strait of Georgia from Vancouver and is a rapidly growing city.

Central location, easy access to the rest of BC, and affordability make Nanaimo the ideal place to live and a perfect location for our head office. Herold Engineering Limited creates a work environment where balance between personal life and work life is highly valued, so that our employees can enjoy the fantastic natural environment that Vancouver Island life has to offer.

How to Apply:

Interested candidates are invited to submit a covering letter and resume in confidence **by May 19, 2017** to:

Herold Engineering Limited
3701 Shenton Road
Nanaimo, BC V9T 2H1
Attn: George Hrabowych. P.Eng.

Applications can also be emailed to careers@heroldengineering.com

We thank all applicants and advise that only those selected for an interview will be contacted.
