

Intermediate Civil Engineer, Nanaimo, BC

Our Company:

Herold Engineering Limited is a Vancouver Island based **Employee Owned** consulting firm with offices in Nanaimo, and Victoria, BC. Our dynamic and diverse company has over 65 employees involved in a wide variety of public and private sector civil/municipal infrastructure, building, transportation, and marine projects in British Columbia. We are a community-oriented company which strongly supports local businesses, charities and community organizations.

Herold Engineering is a well-respected consulting company with an impressive list of repeat government, public, and private clients. We are always seeking new initiatives in the consulting engineering industry to further diversify our services.

Employment Opportunity:

We are actively involved in a wide range of public and private sector projects throughout British Columbia with the majority of our work on Vancouver Island. Our Civil Department is active in a variety of exciting projects and is looking to expand our resources in our growing Nanaimo Head Office.

Herold Engineering is looking for an Intermediate Civil Engineer with **4 to 10 years' experience** specializing in municipal engineering to work on various projects mainly on Vancouver Island. The projects would generally include the design & construction administration of new developments, infrastructure upgrades, roadways, etc.

A competitive salary and benefits package is available along with an opportunity for career progression. We offer competitive salary to the mainland with the lifestyle benefits of living on Vancouver Island!

Requirements:

Herold Engineering is looking for candidates with the correct mix of technical and interpersonal skills that will fit into the cohesive mix of our company. Herold Engineering prides itself in its ability to recruit and retain highly skilled technical people who fit our philosophy of client service and quality. The candidate must be a registered Professional Engineer with APEGBC.

He/she should be keen to learn in a fast paced demanding environment and develop new skills that fit with Herold Engineering's philosophy of diversification and should be comfortable dealing directly with a wide range of government and private sector clients. Our project sizes range from small to large and are well diversified; so flexibility and a broad range of project experience is a benefit.

Quality of Life:

An added benefit to this opportunity is living and working in Nanaimo which is located on the east coast of Vancouver Island, 113 km north of Victoria, and 55 km across the Strait of Georgia from Vancouver and is a rapidly growing city.

Central location, easy access to the rest of BC, and affordability make Nanaimo the ideal place to live and a perfect location for our head office. Herold Engineering Limited creates a work environment where balance between personal life and work life is highly valued, so that our employees can enjoy the fantastic natural environment that Vancouver Island life has to offer.

How to Apply:

Interested candidates are invited to submit a covering letter and resume in confidence by **May 19, 2017** to:

Herold Engineering Limited
3701 Shenton Road
Nanaimo, BC V9T 2H1
Attn: George Hrabowych. P.Eng.

Applications can also be emailed to careers@heroldengineering.com

We thank all applicants and advise that only those selected for an interview will be contacted.
