

# lang structural engineering inc.

We are an Abbotsford based consulting firm providing structural engineering services throughout BC. We are seeking a **structural technologist** for full time employment. The successful candidate will possess:

- \* A diploma in Civil / Structural Engineering Technology from an accredited University or Technical college
- \*Experience in AutoCAD and Microsoft Office
- \*Experience in design of steel, wood and concrete an asset
- \*Ability to read and interpret structural and architectural drawings
- \*Experience working with the National and BC Building codes
- \*Ability to work within tight deadlines / schedules
- \*Field and construction inspection experiences are an asset
- \*AScT BC membership an asset but not essential
- \*Excellent communication skills

Remuneration is negotiable depending on experience and a full benefit package is available.

Email resumes in confidence to: [James@langeng.com](mailto:James@langeng.com)

We thank all applicants in advance for their interest. Only those applicants who are shortlisted will be contacted
