

BUILD A CITY. BUILD A FUTURE.

ENGINEERING INSPECTOR 2 – REGULAR FULL-TIME

We are looking to add a customer-focused Engineering Inspector to our team of passionate and knowledgeable professionals. As an Engineering Inspector, each day is different from the last as you will be exposed to new challenges, situations, and opportunities. If you are interested in a career with incredible potential for professional and personal growth, we encourage you to keep reading.

RESPONSIBILITIES

- As the eyes and ears in the field for the Land Development Division, you will provide your expertise on numerous development projects
- You are a problem-solver and look to solutions to help facilitate the development process
- You will use your excellent customer relationship management and interpersonal skills to liaise directly with the Engineer of Record and the contractor on development projects
- Your exceptional organizational skills will aid you in handling multiple projects with ambitious timelines
- You embrace working in a supportive, team-based environment.

QUALIFICATIONS

- Applicants being considered will have a Civil Engineering Technology Diploma supplemented by 4+ years of related experience. Alternatively, qualified applicants will be eligible for certification by ASTTBC (Applied Science Technologists & Technicians of BC) as a Certified Public Works Inspector Level 2 (CPWI 2).
- A valid BC Driver's License with a safe driving record is required.
- Knowledge and experience with land development inspections with a municipality or consulting organization is considered a strong asset.

The City of Surrey offers a competitive compensation package including comprehensive extended health coverage, contributions to the Municipal Pension Plan, 3 weeks' vacation, continuing education reimbursement, professional membership dues, employee wellness passes and much more.

If you are looking for a career to make a difference in the community and provide quality service, we want to hear from you.

INTEGRITY • SERVICE • TEAMWORK • INNOVATION • COMMUNITY

Help us build a world-class city. We are hiring talented innovators seeking meaningful work to drive our city - and their careers - forward.
