

Design Technicians

Infrastructure Delivery – 1 Full-time/Permanent Position

Infrastructure Engineering – 1 Full-time/Permanent Position

Build the best!

The City of Kelowna is seeking two experienced Civil Engineering Design Technicians or Engineers In Training (EIT) to join our Infrastructure Delivery and Infrastructure Engineering Departments in the delivery of a safe, vibrant, and sustainable city.

With a Civil Engineering Technology Diploma or Degree and a minimum of three years of related experience, you will be responsible for planning, design and project management support for a wide variety of the City's projects. The successful incumbents will be responsible for liaising with consultants, contractors, external stakeholders and various City departments on all aspects of utility systems planning, project management, resource scheduling and budgeting. For these positions, we are seeking candidates with extensive planning, design and software experience as well as demonstrated experience in municipal infrastructure construction, inspection and project management.

For the position within our Infrastructure Delivery Department, typical projects include road and bridge improvements, sidewalks, bike paths and utility upgrading for water, drainage and sewer systems. In the role within our Infrastructure Engineering Department, the incumbent will be responsible for utility system planning, preliminary designs, asset management and budgeting for water, wastewater, drainage and solid waste systems. The successful incumbent will be responsible for utility network modelling and will be a key resource for development planning.

Help Kelowna to become the best mid-sized City in North America! We offer career/professional development, progressive employment practices, and a great work environment. This is a CUPE bargaining unit position and offers a salary range starting at \$35.50 per hour with a 5-step progression to \$40.85 per hour (based on a 40-hour work week) and includes a competitive benefits and pension package.

Apply online at kelowna.ca/careers by August 15, 2017.

Applicants not contacted within three weeks of the competition closing date are thanked for their interest.
