

PROJECT MANAGER

You believe in quality work. You see the big picture of a project—from start to finish. You know what is imperative and what can wait. You're a problem solver who won't let a project hiccup slow you down. You're proactive, you pitch in where needed. With intuition and strategic thinking, you prioritize competing demands as you lead your team to deliver on time.

Binnie is looking for a Project Manager to join our Development & Infrastructure Division, which provides professional services for multi-family housing projects, large subdivisions, recreational facilities, and major commercial and industrial developments.

This position is full-time in our Burnaby Office, located near scenic Deer Lake. You will work with our experienced Senior Project Managers and our talented engineering team to ensure we meet our client needs. This is an excellent opportunity for advancement.

You will utilize your excellent client networking and business development skills to secure new business opportunities while maintaining strong relationships with our existing clients.

YOUR ROLE:

- Engaging in active business development
- Acting as the key contact on projects working with stakeholders, consultants, contractors and support staff
- Preparing proposals and reports in coordination with our Proposal Specialist
- Developing project schedules and coordinating resources
- Monitoring budget and progress on projects
- Training under the supervision of our Senior Project Managers

WHAT YOU BRING:

- 5 to 10 years of related experience in local land development and/or municipal engineering
- Registration as a P.Eng. with APEGBC, an ASCT with ASTTBC, or equivalent
- Project Management Professional (PMP) certification is an asset
- Valid Class 5 Driver's License and personal vehicle
- Exceptional project management, design, and time management skills
- Practiced team management and delegation skills
- Proven conflict resolution capabilities

ABOUT BINNIE:

We are the people behind the infrastructure you use every day. We're small enough to know each other's names, and big enough to be where we're needed. As an employee-owned firm and one of Canada's Top 100 Employers, we take pride in our work and are respected as one of the top engineering firms in British Columbia. We support some of the most important infrastructure in the province and beyond.

We're looking for professionals who want to build careers and communities that last. We can't do it without you.

THE PERKS:

People come first. We support you with the education, mentoring, and growth opportunities you need to build an interesting career. As an employee-owned firm, we create a clear internal growth path that can keep up with even the most ambitious professionals. Whether it's soccer or coffee clubs, hockey pool, lunchtime yoga, Movember or Bowling for Big Brothers, everyone can get involved in their own way.
