

CIVIL TECHNOLOGIST

On Point Project Engineers is an Engineering Consulting firm which provides Civil, Municipal and Transportation Engineering, and Project Management to public & private sector clients. We are highly customer-focused; believe in the strength of team, and are intent on having a positive lasting impact on the projects we deliver.

We are currently seeking to fill one position for an intermediate to senior level Civil Technologist for full time employment with our growing engineering team. The successful candidate will:

- Be an excellent and confident communicator with clients, colleagues, public and project stakeholders.
- Have a solid technical engineering foundation built on knowledge and experience in municipal, transportation & / or land development engineering.
- Be a self-starter, timely committed finisher, flexible and able to work well with others in a busy environment with competing priorities.
- Be proficient in computer skills notably Civil 3D and the Microsoft Suite.
- Hold a valid BC driver's license.

Other highly beneficial skills;

- Design modelling software (sanitary, storm, water etc.)
- Commitment to environmental well-being and positive social impact
- Construction, contract administration and project management experience

Applicants may submit their resume and cover letter in confidence to the attention of Mr. Richard Rebneris, P.Eng., On Point Project Engineers Ltd., Suite 111 - 957 Langford Parkway, Victoria, BC, V9B 0A5 or by e-mail to careers@oppel.ca with the subject heading **Civil Technologist**.

We appreciate all applications received; only those shortlisted for an interview will be contacted.
